

Application for Tax Shelter Identification Number and Undertaking to Keep Books and Records

Fill out all sections on this application using the attached instructions. You cannot sell, issue, or accept consideration for a tax shelter before it has an identification number. The year you designate in response to question number 4 in Section B of this form is the only calendar year for which the identification number will be valid for sales of interests in this tax shelter. Every copy of the selling instruments, and any other documents you file or will file with any securities commission or similar government agency, and of any sales brochure, prospectus, or similar material you used or will use to promote the sale of the tax shelter has to prominently display the following statement:

Income Tax Act, paragraph 237.1(5)(c)

"The identification number issued for this tax shelter shall be included in any income tax return filed by the investor.

Issuance of the identification number is for administrative purposes only and does not in any way confirm the entitlement of an investor to claim any tax benefits associated with the tax shelter."
